

The diagram shows a template for a Whistler logo. It features a large, stylized arrow shape pointing downwards. Inside the arrow, the word "Whistler" is written in a green, italicized, sans-serif font. Below the name, the text "LARGE - 10'" is written in a bold, black, sans-serif font, followed by "BFW-L46x111" in a smaller, black, sans-serif font. The overall graphic layout size is specified as 22.75"w x 55"h (including bleed). A legend at the bottom left identifies four types of lines: BLEED (black solid line), TRIM (red dotted line), VISIBLE EDGE (gray solid line), and SAFETY (green solid line). The template is built at 50% scale.
