

The image shows a logo template for 'Whistler MEDIUM' within a stylized mountain peak shape. The peak is defined by a solid black outline. Inside this, there are three concentric, rounded shapes: a green solid line (labeled 'SAFETY'), a grey solid line (labeled 'VISIBLE EDGE'), and a red dotted line (labeled 'TRIM'). The word 'Whistler' is in a green, italicized serif font, and 'MEDIUM' is in a bold, black, sans-serif font. Text on the left provides overall dimensions and construction guidelines. A legend on the right explains the line types: BLEED (black solid line), TRIM (red dotted line), VISIBLE EDGE (grey solid line), and SAFETY (green solid line).
